**On Exhibit - March 1 - 31, 2016**

Stairwell Art Space  
Fairfield University Bookstore  
1499 Post Road, Fairfield

**Artist Talk Sunday March 6th @  
1:00 pm**

Everyone welcome to attend! Meet at the bottom on  
the Stairwell.

In 1988, Gerstein started to make digital photos of aquarium animals with some of the very early digital cameras under adverse lighting.

After 6 years of painstaking experimentation, he developed a way of creating large canvases of some of the marine animals. Now, for the first time, see his images on canvas, paper and aluminum!

For more information please contact Art Gerstein at
